PROFILE

Ambitious and results-driven Full Stack Developer with a Bachelor's degree in Information Systems Development. Skilled in designing and deploying scalable web and mobile applications using modern technologies like Angular, Node.js, Flutter, ASP.NET Web API, and PowerApps. Eager to drive innovation in the tech industry while continuously honing my programming and systems development expertise.

WORK EXPERIENCE

End of Studies Internship — Feb 2024 - May 2024
Simsoft Technologies

- Developed and launched a mobile application for vehicle fleet management, improving fleet operation efficiency by 20% using Flutter and ASP.NET Web API.

Advanced Training Internship — Jan 2023 - Feb 2023
Dräxlmaier Group Sousse

- Designed and implemented a streamlined visitor management system using PowerApps, reducing visitor check-in time by 30% and enhancing the overall user experience.

Initiation Internship — Jan 2022 - Feb 2022
Tunisia Telecom Jemmel

- Gained valuable insights into telecommunications operations through in-depth observation and analysis, enabling a deeper understanding of industry-specific technical requirements.
